## WHAT IS TEFL / TESOL?

The course geared towards teachers who want to teach English to non-native speakers in English speaking countries. It prepares the learner in skills required to teach language systems, language learning methodologies, grammar and lesson planning. TEFL/TESOL is best suited for individuals who aspire to teach abroad. Learning English has become a necessity for people around the world and the demand for teaching English to non-English speakers is on the rise each day. More and more international schools and educational institutions are looking for TEFL/TESOL qualified and experienced English teachers. Even the demand for corporate English and Business English training is on the rise, with many companies paying lucrative salaries to put them ahead in the global market. Many individuals are looking to pursue careers as TEFL teachers because of the abundance of opportunities available worldwide.

## WHAT KIND OF JOBS ARE THERE?

TEFL is a career in its own right; it has vast scope of employment and opportunities for professional development within the educational and its related sectors. Public schools, colleges, universities, language academies, and language camps are all potential employers. Requirement for teachers vary by country and are usually related to the level of competition for teaching jobs. Industries like information technology (it), information technology-enabled services (Ites), hospitality, tourism, and retail in particular generate a large number of jobs which require competency and fluency in English. With business becoming more global, the sky is truly becoming the limit for ESL teachers.

## WHY SHOULD YOU GET TEFL CERTIFIED

## HOW IT WORKS

Are you wondering how to realize your dream of working as a teacher? Are you thinking about how to hone your teaching skills? Then, join a teacher training program from various courses offered by the London College of Teachers and Trainers, and take a step towards your dream.

Before you start a journey with us, would you like to know how our courses work? Here are the steps:

### Step 1: Apply

The initial stage of the teachers training program is to apply for it. In this stage, you will come to know about various courses that we offer and the purposes of the courses. Based on your need, you will apply for a course from various ones including nursery teacher training, special education teacher training, TEFL course and many more. There is an online form, you need to provide all your details and select a course and then submit it.

Approval – before you go to the next stage, your application needs to be approved. We will check all your details to know whether you are eligible for the course or not, and if you are eligible, we will approve the course immediately.

### Step 2: Payment

Once you get approval from us, then you need to complete the next course that is payment. We offer various payment methods, choose one of them, and make the payment.

### Step 3: Course Access

After the enrollment procedure is complete, students will be given access to the online course. We will give you a unique username and password, as well as the link to the course backend. By logging in, students can access the course 24/7 and go through the course materials.

### Step 4: Complete Modules

Based on the kind of course (certificate or diploma or post-diploma) you have chosen, a few modules will be given to the students. Within the given timeframe, you have to complete the modules. If you face any difficulty, you can contact our experienced tutors and they will solve it. If you exceed that limit for any reason, you need to pay a token amount for exceeding it.

### Step 5: Complete Assignment

At every level of the course, students will be given assignments. After completing an assignment, successfully, they will reach the next level. When you complete the final assignment, our tutors will check and give you it a remark.

After you complete all the modules along with the assignments in the chosen course, we will provide you internationally recognized certificate and offer you placement assistance.
